## Hamilton Anniversaries!

### 115 Years and 25 Years in 2016

This year, we are excited to be celebrating two big anniversary milestones! Hamilton Telecommunications® has been providing the latest in telecommunications and technology solutions for 115 years. We are proud of our dedication to delivering the latest technology, our commitment to our customers and our investment in the communities we serve.

In addition, Hamilton Relay® is celebrating 25 years of connecting lives! Since 1991, Hamilton Relay has worked diligently to ensure that individuals who are deaf, hard of hearing, deaf-blind or have difficulty speaking are able to communicate effectively over the telephone. Today, Hamilton Relay operates six relay call centers throughout the United States and provides service to 21 states and territories. Hamilton Relay also provides Internet-based captioned telephone solutions nationwide.

We look forward to celebrating both of these milestones with an open house in our new building next year!
