

Check Out Our New **Directory Cover**

Watch for the new 2019 telephone directory arriving soon!

In the directory you'll find helpful information, including:

- Listings for our nine telephone exchanges, as well as Central City, Grand Island, Henderson and Hansen
- Calling Feature Instructions
- Reverse Number Lookup
- Yellow Page Listings for Area Businesses
- Emergency Numbers and Siren Warnings
- City and County Maps
- Nebraska ZIP Codes
- Plus much more!

The bald eagle on the directory cover was photographed by Deb Miller as it was released at Pioneer Trails near Aurora, Nebraska. The eagle was found near Hampton and transported to Fontenelle Forest Raptor Recovery Center in Elmwood, Nebraska where it was treated for lead poisoning. Once healthy, the eagle was returned to Aurora for release, in collaboration with the Edgerton Explorit Center.

Birds of prey, such as eagles, falcons, hawks, owls and vultures have a vital role in our ecosystem. Fontenelle Forest's Raptor Recovery is focused on the conservation of these birds through education, research, and the rehabilitation of injured and orphaned raptors. If you should find a raptor in need, please contact Raptor Recovery at 1-866-888-7291.

Visit AuroraNEGuide.com for local information and telephone numbers.

Recycle Old Directories

Drop off your old directories at Hamilton[®] to be recycled and repurposed into usable items such as textbooks, insulation and ceiling tiles.

Saturday 8:00 a.m. - 12:00 p.m.

Hamilton Offices will be closed for the following holidays:

Thanksgiving — Thursday, Nov. 22
Christmas — Tuesday, Dec. 25
New Year's — Tuesday, Jan. 1

*October is National
Apple Month*

As the old saying goes, “An apple a day keeps the doctor away.” So keep that in mind during National Apple Month. Apples provide vitamins, minerals, antioxidants, and dietary fiber. They’re also free of fat, sodium, and cholesterol, and a medium apple is only approximately 80 calories.

Besides being National Apple Month, October is also National Caramel Month and National Dessert Month. So it’s not surprising that October 31st is National Caramel Apple Day. For lots of apple recipes, check out www.usapple.org.

Fiber is Good for Our Health and Our Communities

For years, we’ve heard about the health benefits of eating dietary fiber. These benefits include helping us maintain a good weight, staying “regular,” and lowering the risk of diabetes and heart disease. Nutritionists encourage us to get more fiber by regularly including fruits, vegetables, whole grains, and legumes in meals.

In the realm of telecommunications, fiber-optic cable is also proving to be extremely beneficial. Fiber deployment is revolutionizing the way community members access healthcare, education, public safety, and government services. It’s providing faster and faster internet speeds. And it’s broadening our options for entertainment, home security and management, and data storage services.

Thanks to fiber, we can all have a healthy outlook on what tomorrow will bring.

Hamilton Fiber To the Home Update

Our construction crew, installation techs and fiber splicers are working daily to expand our fiber network to the thousands of Hamilton County residents. As you may already know, this year’s focus has been on bringing fiber to the homes in Aurora.

Despite a few bouts of rain and inclement weather, the crew has maintained consistent progress. We are working hard to have each home within Aurora city limits fully wired for fiber by the end of 2018.

As we keep moving forward, we will be arriving at more and more neighborhoods. **If you have received a postcard but have not yet had a fiber site survey, please call us at your earliest convenience.**

For a complete list of subdivisions next in line for site surveys and installations, visit: www.Hamilton.net/fiber-progress.

We are excited to deliver the best connectivity to internet and much more with the fastest, most reliable internet service available!

Restart TV Now Available On Even More Channels

Running a little late and missed the beginning of your show? Restart it from the beginning!

Restart TV allows you to start watching a TV program that is already in progress. Missed the start of a show? Not a problem - restart the program.

Restart TV

- Allows you to restart a show already airing with the press of one button
- Programs can be restarted multiple times during the live time frame
- Permits use of DVR functions - pause, rewind and fast forward

How to Use the Restart Program Guide & Browser Bar

1. Press the Guide button on your remote and find the program you want to watch.
2. Channels with the Restart TV option will have a green and white restart icon next to the channel.

3. Highlight the program and press the GREEN button on your remote to tune to the program and watch from the start.

New Cobalt TV Channel

The CW network's prime time schedule includes hit series Riverdale, The Flash, Black Lightning and Supergirl. Now available in all Cobalt TV packages. Check it out in HD on channel 514.

The Next Generation of 9-1-1 is Here

Since the inception of 9-1-1 service in 1968, Hamilton has been providing, and supporting 9-1-1 to its subscribers. As the emergency services industry actively moves towards newer technology, we remain committed to providing trusted solutions in the public safety sector.

In support of the emergency services industry, we have launched Hamilton NG911 as our newest division.

Next Generation 9-1-1 (NG911) represents the latest innovative technology dedicated to helping public safety officials deliver a 9-1-1 service to accommodate modern communication devices.

As a leader in the industry, Hamilton NG911 has crafted innovative solutions that seamlessly fit with the new incoming infrastructure mandated by the Federal Communications Commission (FCC), and strengthens the availability and reliability of 9-1-1 services. These solutions accommodate rapidly changing cell phone technology, including location tracking and real-time texting.
